Re: EPA STAG for Village of Ruidoso (XP-97630701-0)

Dear Ms Jahan:

I have reviewed the request for extension of the above referenced STAG Grant, dated May 22, 2006 and sent by the Village of Ruidoso. The Village has completed a draft Facility Plan and Environmental Information Document and the project is moving forward. Consequently, the NMED-CPB recommends extension of this grant as requested to July 30, 2007.

Please feel free to contact me if you should have any questions regarding our recommendation.

Sincerely,

Jim Chiasson, P.E.
Technical Section Manager
